- 5 x 2 bedroom, 1 bathroom, separate wc
- Parking - 1 per apartment

Situated in the heart of the picturesque perched medieval village of Bonnieux, this property (formally a farmhouse) has been beautifully restored and renovated into 6 functional and fully furnished self-catering apartments. The exterior is a pale ochre with hand hewn corner stones, old wooden shutters and a staircase leading up to the front door.

Each apartment has an alarm code for entering and when inside there is a general sitting room where all sorts of brochures and local information can be found. During the restoration the owners and architects have endeavored to retain as much of the original structure and character as possible keeping the stone arches and vaulted ceilings, and the central staircase wears a beautifully elegant old iron railing.

Each apartment has its own private terrace with table and chairs for al fresco dining and every terrace has wonderful views over rooftops, hills or village.

The kitchens each house oven, dishwasher, cook-tops and utensils. Open plan dining/lounge areas and glass sliding doors to terraces.

The large swimming pool is shared by all and has chairs, tables, umbrellas and loungers and a small garden area. There's an outdoor shower to freshen up and laundry with washing machines and dryers. There is a telephone in each apartment, satellite TV and WIFI.

Following the narrow winding paths and staircases, under old stone arches and through dimly-lit doors....the village is a warren of photographic opportunities, the sunsets superb.
