

Biarritz Loft

- 1 Bedroom plus loft (Sleeps 4)
- 1 Bathroom

Centrally located and just a few steps away from the ocean...the daily morning air market with fresh produce of the region and also locally made artisan wine and cheese... patisseries, and also the casino and the Grande Plage.... This beautiful loft apartment overlooks the Atlantic Ocean at Cote de Basque and on towards Spain, which is a short 30 min drive away for shopping, lunch or tapas!

In the main bedroom is a comfortable king size bed with a wardrobe in which you can unpack your things and get settled. There is a second queen size bed located up the spiral stairs, in the spacious loft with low vaulted ceilings.

There is a full kitchen with every necessity necessary for those home cooked meals made fresh from your market produce. From pots, pans, toaster, coffee maker, juicer, large refrigerator, as well as 4 burner gas stove with oven. The dining area is near-by and the apartment is stocked with an array of table settings.

The living room boasts high vaulted ceilings and an incredible amount of light flooding in through the sea facing windows. There is a beautiful yet comfortable sofa in the sitting area for you to relax on facing the cozy fireplace for those fresh summer nights or cool winter ones.

Off to one side of the living area is a separate room which can be used as an office space equipped with a desk for use as a home office as wireless internet is available. On the other side of the sitting area is a small sitting room which has a window looking out towards the ocean as well as Spain!

The large light filled bathroom has a two person tub with shower. Toilet is in a separate area, accessed via the bathroom.

The apartment has its own washer and dryer in house. There are bicycle and motor bike rentals across the street as well as surfboard rentals. The apartment is fully equipped with TV/DVD as well as Wi-Fi internet. And there are heaters provided for winter rentals.
