
Canale dei Tolentini VENICE

On the picturesque Rio dei Tolentini, only three minutes from the Piazzale Roma car terminals and five from the Santa Lucia Train Station, this property welcomes you to the heart of Venice, in rooms characterized by original Venetian personality, enhanced by first-class amenities and services. Situated in an ancient Venetian palace, and just a short walk to the *Scuola di San Rocco* and the *Chiesa dei Frari*, where you can admire the works of Tintoretto and Titian, it is an ideal starting point for visiting the city.

The lobby and other areas of the hotel are decorated by unique frescoes inspired by great works of Venetian and other artists, imbuing the environment with an original and poetic ambience.

The hall, TV room, and coffee bar are common areas available to guests of the hotel for relaxing and social occasions. Breakfast is served in the private room or, in fine weather, in the delightful inner courtyard.

Nineteen rooms, between singles, doubles, and triples offered in two versions, Classic and Superior, welcome guests in spaces characterized by an original Venetian personality and by an attention to every detail that makes this Hotel one of the most prized in Venice.

Classical furnishings revived in a contemporary style, original trompe-l'oeil frescoes, and pleasant bathrooms featuring a delightful courtesy kit and hairdryer create inviting atmospheres in each room, where the first-rate comforts of a 3-star hotel in Venice ensure the most enjoyable of stays.

The Classic rooms feature modern furnishings that brilliantly interpret the Venetian style, walls decorated with trompe-l'oeil frescoes, all the latest amenities and bathrooms.

The Superior rooms are comfortable and spacious, decorated with warm colors and a wealth of exclusive and sophisticated details; some overlook the Tolentini canal.

All rooms have been personalised with venetian paintings inspired by the works of Canaletto and Guardi and include telephone, TV, safe, minibar hair dryer, air conditioning.
