La Casa, L'Isle sur la Sorgue

- **Bed & Breakfast – sleeps maximum 8 people**
- **4 x double bedrooms with ensuites**
- **Pool**

Located in the heart of l' Isle sur la Sorgue, you enter this charming 'chambres d'hotes' by an unassuming door, opening into a series of cool rooms, through which you catch a glimpse the garden, sheltered by a majestic Sycamore, laid out on the banks of the Sorgue River.

You will feel welcomed and at home in either the glass-roofed courtyard, or upstairs in the large red lounge under the huge mantel over the fireplace.

You can have your breakfast in the ground floor dining room with its white flagstone floor or in the garden in the shade of the Sycamore.

Each of the bedrooms has been beautifully refurbished, in a different style, which highlights its unique features and character.
