Gallery Apartment, Giudecca VENICE

Set on the fashionable island district of Giudecca — whose famous denizens include the likes of Hotel Cipriani and Harry's Dolci among others — just a ten minute ferry ride from St. Mark's Square, these apartments sit front and center across from the trendy Zattere promenade.

One of seven apartments served by an English-speaking reception, open daily from 9 am to 6 pm. Aside from far reaching canal views, spacious accommodations and well put together décor, each unit comes with three hours of daily maid service included in the price.

Also included are: daily towel changes, a hearty breakfast basket with an endless supply of ground coffee, individually controlled heat and air conditioning, Wi-Fi Internet access for those with a laptop and free use of the water shuttle that stops across the canal and at Piazza San Marco.

Throughout, you'll find small modern kitchens with espresso machines, gorgeous marble bathrooms with hair dryers and triple paned windows that drown out most of the water traffic and church bells. They even dampen the horns of arriving and departing cruise ships from the terminal, 400 yards away.

Fifth floor: Living/dining room with canal view, TV and spiral stairs to loft with a queen size bed. One of the larger kitchen preparation areas, in place of an oven, a microwave, toaster and electric espresso maker are offered. One canal view bedroom with a queen size bed. One bathroom with tub and shower and hair dryer.

Beautifully restored with hard wood floors, exposed cross support beams and bathrooms tiled with red marble from Verona creates a decor both tasteful and traditional. While the comfortably sized loft has its own A/C unit and is architecturally designed to not be easily viewed from the living room, its window sits along the floor limiting the view.

Within 70 yards lies Harry's Dolci, one of Venice's best restaurants, worthy of a definite splurge. The 200 yard walk to the Palanca vaporetto stop is along a boardwalk passing small food shops, a few restaurants and a bakery. By water taxi the Accademia Bridge is in five minutes; Piazza San Marco: 10; Piazzale Roma, the Lido or Murano: 25; Marco Polo airport: 40.

Phone usage and a city tax of €2.50 per person, per night – to be paid directly
