## One bedroom Village Cottage Castelnaud - DORDOGNE

In the heart of the village of Castelnaud la Chapelle, an exceptional position for this charming little village house village.

This 18th century house was completely restored in 2010 in the spirit to be very cozy and charming. It is very comfortable, cool in summer thanks to his stone walls; you will be seduced by his situation in the heart of the village near to the river beaches, the shops and restaurants.

The village of Castelnaud is situated in the golden triangle of the Perigord Noir and is classified as one the most beautiful villages in France. This medieval village with its 12th century castle and his cobbled streets dominates the Dordogne River and reveals centuries of history.

It is known for his authenticity and respect for nature. Castelnaud offers a way of life which attracts many artists and aficionados of the Perigord Noir.

On the first level, with access through the garden, you will find a fully equipped kitchen, dining room and a toilet.

In the second level you will find a magnificent and very comfortable living-room with authentic fireplace, stone walls and wooden floor and beams.

In the last level under the roof you will find a room with air-condition, bathroom with shower and toilet.

Enjoy wandering through the streets in the morning and visit the welcoming shopkeepers or having lunch or a coffee in one of the small local restaurants. Or you can hire a canoe, go trekking or simply spend your time in the garden at home.
