

EUROVILLAS & TOURS

La Cachette, L'Isle sur la Sorgue PROVENCE

- Spacious One bedroom apartment

In the center of town with the buzz of the village all around, recently renovated with a gourmet kitchen, shower room, a quiet and relaxing terrace with BBQ.

The decoration is a combination of new “practical” furniture and interesting old local finds. There are two plush leather chairs where you can enjoy your coffee or glass of wine and watch the life of the town pass before you.

If you love to cook this is the kitchen for you! The stainless steel appliances are top of the line featuring a five burner gas cook top, electric convection oven, and dishwasher. The white lacquered lower cabinets are topped with black granite providing ample workspace.

The kitchen opens up to the lounge with a dining table and chairs, two leather club chairs, a marble topped coffee table and a CD music system with a library of CDs. The club chairs face the large window with a retractable awning that looks down at shops with beautiful Provencal goods and a café. You can enjoy the life of the village from your own private vantage point! The light filled apartment has air conditioning for hot weather and heating for the colder months.

There is a separate lounge where you can watch TV in either French or English, watch a DVD, or just relax and read a book. Selection of DVDs and books are provided. Wi-Fi is available throughout the apartment

The bedroom has a very comfortable queen sized bed or, if you desire, it can be made up as two twin beds. There is a large wardrobe with ample storage space. There is also a TV in this room with French & English stations.

The shower room has a large walk-in shower with sliding glass doors, w.c., hand basin and a heated towel rack. There is a cabinet to store all of your things. A hair dryer is supplied for your convenience.

The private terrace is reached from the kitchen through the glassed in porch that has the washing machine and clothes drying rack. The quiet and peaceful terrace has a dining table and chairs, a sun umbrella, gas Weber BBQ and two comfy lounge chairs. There are fresh herbs for you to use for cooking or just enjoy looking at and smelling. The terrace has both sunshine and shade so will take care of all your needs.

There is no private parking but there is ample free public parking a short walk away.

Please note – this property is Friday to Friday weekly rental.
