

Les Ecuries L'Isle sur la Sorgue PROVENCE

- One bedroom village apartment (Sleeps 2)

This exceptional and stylish ground floor apartment, is located right in the centre of Isle-sur-la Sorgue.

Behind the ancient green door in the mellow stone wall lies a wonderful surprise. The building is a former convent (one of many!), built in 1596 and recently renovated in a rustic-chic restoration. The theme is neutral and natural, with old beams and new wood floors, honeystone walls, big tactile rugs and warm splashes of colour.

Off the entrance is the dining area, with a rustic planked table, a bench to match and a simple, sleek kitchen alongside. Off the open-plan sitting area (fun armchairs, pendant globe) a huge glazed arched doorway opens to a narrow white courtyard (15m²) with wicker basket chairs and small café style table and chairs.

And then there's the bedroom, with its designer row of coloured lights behind the queen (160cm) bed. As for the bathroom (stone trough basin, walk-in rain shower), it's one of the finest.

The apartment is fully furnished and equipped with everything you need - dishwasher, refrigerator, stove, microwave, oven, dishwasher, linen, washing machine, Wi-Fi and French satellite TV. And there are books, maps, music, and the owners list of local favourite restaurants; there's also a private parking space a five-minute walk away.

Smoking not permitted anywhere in the property.
Public transport - Within 10 miles of a bus/train station.
